Grenoble Alpes!

UGA
Université
Grenoble Alpes

Joining UGA means choosing much more than a degree

It means becoming part of a community of more than 57,000 students who **learn, experiment, broaden their horizons, and take action** to address the challenges of our time.

At UGA, learning is an experience.

Understand

Develop the knowledge, critical thinking, and analytical skills needed to make sense of the world with rigor and confidence.

Experiment

Explore, create, innovate, and get involved. Turn hands-on experience into a powerful driver of learning and personal growth.

Open up

Discover new disciplines, cultures, and perspectives. Grow through encounters with others and with the world.

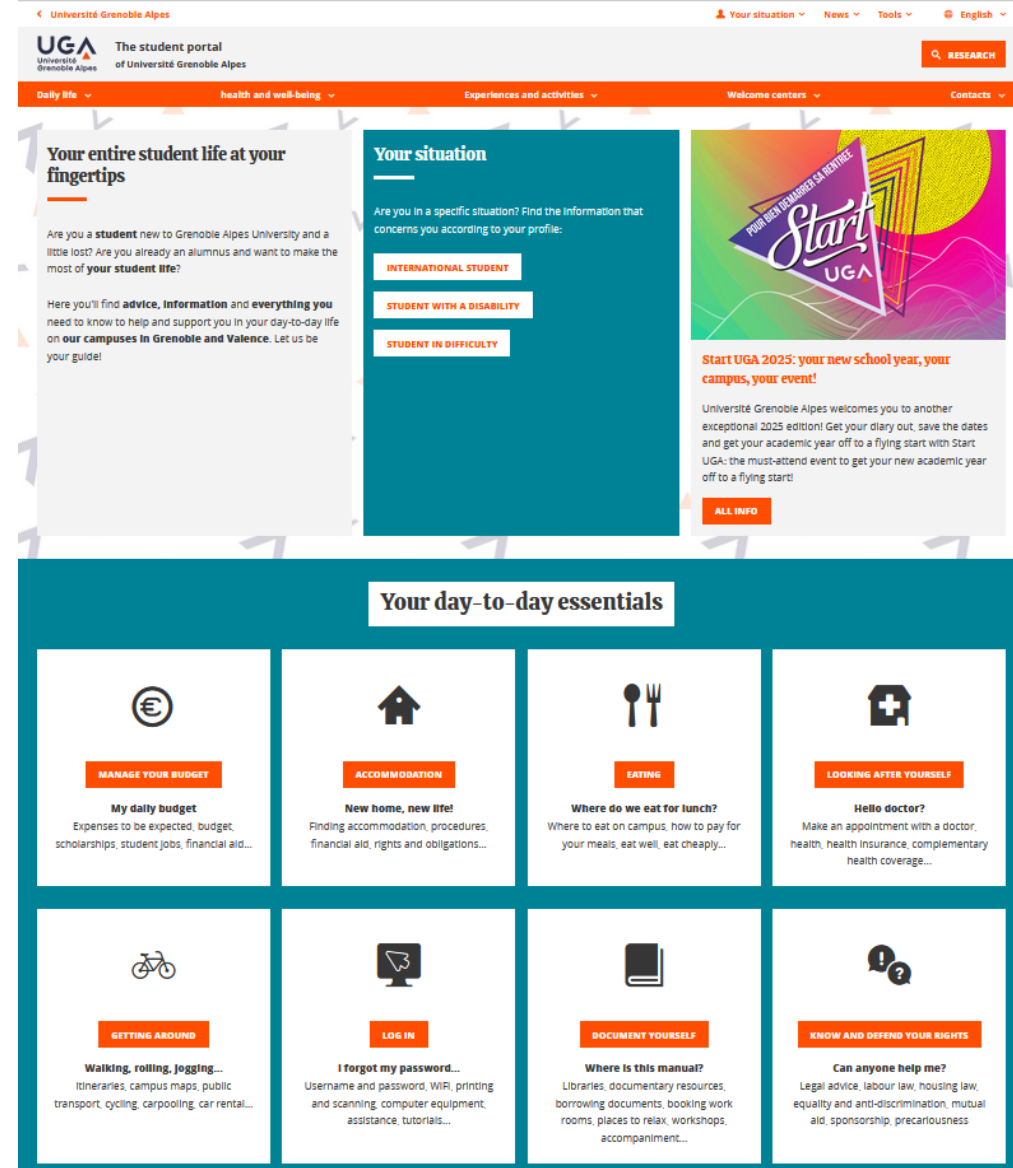

Take action

Turn ideas into projects, knowledge into impact, and become an active contributor to the transformations shaping society.

Your resources & services

Your success and well-being are **our top priorities.**

We are committed to providing the best possible conditions to help you thrive throughout your studies.
